PREFERRED DECK PREMIUM APPLICATOR PROGRAM

We recently have updated our website, and the next phase of the update will be to include **Preferred Deck Premium Applicators** by geographical area. We have people constantly contacting us for contractor referrals, so this should help generate business for you. Obviously, we want to reward the contractors who use the Preferred Deck System almost exclusively. So, if you use our products (or would like to) please call me if you are interested in this new program. Please fill out this Application Form and send or fax to my attention (Rusty Gonzales.)

However, contractors will not just be listed on our website... instead each contractor will have their **OWN WEB PAGE**. So, you can include up to three photos plus give all of your contact info, list your ROC number (if you have one), and give up to a 75 word summary about your company, business philosophy, and experience. Because each contractor will have their own web page, you will have lots of space to show and tell customers why they should call you (over the next guy.)

Please write legibly and fill out this form EXACTLY as you would like it to appear on your own Preferred Deck web page. I will call you when I receive your application. Mail to address above or fax to 623.474.2251, Attn: Rusty. Please call me if you have questions. Rusty Gonzales. Cell: 602.361.8100
